

# AMPS INTELLECT **MEDIATED CITY** AWARD

This certificate confirms that

David Harris Smith, Harold Sikkema, Daven Bigelow, Calvin Hillis,  
Brian Detlor and Maureen Hupfer

Are the 2021 recipients of the AMPS-INTELLECT MEDIATED CITY  
AWARD

The Mediated City Award is presented for the excellence of scholarship demonstrated in the conference paper *HereWeArt: Children's Civic Engagement Through Augmented Reality Placemaking*, published as part of the Urban Assemblage conference organised with the University of Hertfordshire and Intellect Books.

In its inaugural year, 2021, the award was conferred on academics who had presented written or recorded works as part of the Amps Mediated City series of conferences and publications with Intellect Books over the previous 5 years.
